

ATN TRAVEL COMPANY PROFILE

ATN TRAVEL. is made up of a small group of passionate and experienced people who loves travelling and have been in the travel & Hospitality industry for almost 25 years.

It all started in Istanbul, Turkey in the late 80's when we were approached by a well-known tour operator to assist them in entertaining non English, speaking guests from Malaysia. Since then, starting from the bottom as tour consultants and interpreters for various local tour operators catering tour groups from South East Asia countries such as Malaysia, Singapore and Indonesia. We have risen to hold higher positions as executives and managers and gathered extensive knowledge, experience and forged close relationship with other players in the industry.

We have explored almost every corner of Turkey, climbed the mountains and shared the richness and the joy of Turkey to thousands. We have enjoyed the pleasure and honor in hosting umrah stop over groups, conference delegations, businessmen, ambassadors, generals, ministers and royalties during their stay in Turkey.
